To be a perfect teacher is something which no person can achieve so long as he has human feelings. But when a teacher possesses qualities of leadership, a true desire to instill learning, and above all, a sense of compassion, here is a teacher who is to be admired and respected. Such a person is . . . Mr. Gansen.

PRINCIPAL

PAUL L. BECK

The moment that you receive your high school diploma will signify far more than the completion of a period of schooling. It will mean that now you are taking your place in the adult world. You will now be freed from what may often have appeared to you to have been the "tyranny" of high school. Soon you will be freed from the restraints that you may have felt were placed on you at home. Soon you will be making your own decisions.

Your schooling and your training at home have been in a large sense preparation for this. How will you conduct yourself when you have your own decisions to make? May I, with some hesitation quote for you, in slightly paraphrased form, the words of Robert Louis Stevenson to be applied as a standard of behavior.

"To be honest, to be kind — to earn a little and to spend less, to make upon the whole a family happier for your presence, to renounce when that shall be necessary and not to be embittered, to keep a few friends, but there without sacrificing your standards — and above all, on the same grim conditions, to keep friends with yourself — here is a task for all your fortitude and delicacy!"

SECRETARY

TREASURER

We, the Class of 1965, leave Cristobal High School with mixed emotions. We are proud to graduate and thus pass our first important milestone on the road to success, but we are also sorry to leave our carefree high school days. Ours is the charter class of Cristobal Junior-Senior High School—we are the first class to complete six full years in this school.

To those of you who follow in our footsteps, we wish luck and a pleasant future. When you become a senior, keep in mind that it is a privilege, and use that privilege with the dignity which it deserves. As you pass through these halls, think of those who have gone before you—especially the people of this class, our personalities, our spirit of togetherness. Remember us for the deeds we have done.

Football

The Football season of 1964 was a very successful one from Cristobal High School's point of view. Every Friday when the Tigers emerged from their "Tiger's Den" they were on the prowl for V-I-C-T-O-R-Y. Victory they found in the Jamboree and every single game of the regular season. The Tigers rushed 84 times, gaining a total of 1,298 yards for a 4.58 yard average per carry. In the aerial division, the Tigers passed 50 times completing 23 passes for a total of 378 yards gained.

The primary reason for the success of the team this year can be summed up in one word: teamwork. For every 25 yards run or passed at least 7, if not more, successful blocks must have been completed, especially in the Line, which is usually known for hard work and little glory. And so, one must not laud only the Backs for their running and passing; one must also praise the Line Men for their superb blocking this season.

Of the first string eleven, six of our members were selected for the Canal Zone All-Zone Team. These were: Orrin Clement, Pancho Motta, Don McCullough, Robert Thomas, Leo Paulson, and Jack Blair. For Orrin Clement and Pancho Motta, this was the second time that they have received this award.

Most Valuable Player

Orrin Clement, because of his outstanding drive, ability, and spirit, was selected for the Cristobal High School "Most Valuable Player" award for the 1964-1965 season. This is not the first time that Orrin was named "Most Valuable Player." He also received this honor his Junior year, which in itself is a great honor since the award is usually given to a senior.

Orrin, one of the smallest players for Cristobal High School, does not let his weight, 142 pounds, handicap him! His rushing average is 4.96 yards and his passing total 333 yards.

His indefatigable pep and ability have contributed greatly to the success of the 1963 and 1964 football squads at C.H.S.

Orrin has also had the honor of being selected for the Canal Zone All Zone football squad in his Junior and Senior years.

Undoubtedly football fans in the Zone will long remember Orrin Clement for his contribution to football successes at C.H.S.

Final Deadline

As the last deadline is met, and the re-usable materials are put away for the last time, we, the CARIBBEAN STAFF, recall to mind all of the errors, efforts and the enjoyment of each successive deadline. We have a sneaking suspicion that the 1965 CARIBBEAN will be the biggest and most beautiful book ever. It must be, because we have worked so hard!

Mr. Reeves,
So a teacher that
has been so very nice to
me in school. I'll never
forget it and please be good
to your pupils.

Sincerely,
Ginger Thomas
